4G SURFACE GUARD

PENETRATING SEALER FOR POROUS BRICK, STONE, AND MASONRY SURFACES.

Advanced permanent protection against GRAFFITI, GREASE, GUM, and GRIME including water and oil based contaminants, mold, mildew, and pollution.

4G SURFACE GUARD will dramatically reduce the cost of cleaning and maintenance, extending the life of natural building surfaces.

Formulated specifically for FLOORS and WALLS with maximum stain and abrasion resistance.

Unlike other 'permanent coatings', 4G SURFACE GUARD is not film forming and does not alter the appearance or slip resistant properties of the surface.

Uniquely hydrophobic and oleophobic properties. Weather and UV resistant.

Ideal for use on high value and / or high traffic locations where minimizing maintenance costs and maximizing presentation is a priority.

Water based and low odor makes it suitable for indoor or outdoor use.

 This product is compliant with C.A.R.B. (California Air Resource Board) Consumer Products Regulations.

PLEASE READ TDS AND SDS FOR SAFETY & PRODUCT USE INSTRUCTIONS.
